TMC’s National Technician Skills Competition was a great success in 2021, thanks to our ‘Friend of the Technician’ and ‘TMCSuperTech 2021’ Sponsors.

While we could not hold our full event in 2021 due to the COVID-19 pandemic, we’re very excited to be expanding our competition for 2022, but we need support from companies like yours!
There are three levels of sponsorship available in 2022:

#2 Sponsor TMCSuperTech National Technician Skills Competition

In 2022, TMC will hold its 17th annual TEC National Technician Skills Competition in conjunction with TMC’s 2022 Fall Meeting & Transportation Technology Exhibition, Sept. 25-29 in Cleveland, Ohio. Corporate sponsors may support the event by underwriting costs for specific items or events, such as award trophies, prizes, coffee breaks, breakfasts, luncheons, etc. Sponsors will receive recognition at the specific event sponsored through display of their corporate logo in appropriate signage, and/or printed materials.

Chris Tate, (left) Mohawk Truck, was the grand champion at the 16th annual TMC National Technician Skills Competition held September 12-13, 2021 in Cleveland, Ohio. This was his second grand championship.
